

# Our products

## Amateur Sports

### Why choose Robertson Low:

Through Robertson Low, you have access to experienced insurance companies who understand the risks involved in the sports industry. Our products are tailored to protect the assets of sporting, organisations, and their affiliated clubs and members.

Sports insurance is designed for sports athletes at amateur level only.

### Tailored to your client's sport:

Our underwriters have the flexibility and technical experience to design a package specifically for your client and they understand the risks involved in the sports industry.

The policies are especially developed to cover the elements essential to those involved in sports and the environment in which they operate.
